

PROFESSIONAL SUMMARY

Analytical problem solver with 2+ years of experience delivering strategy, analytics, and operational improvements across EdTech, FinTech, and Public Policy. Proven track record of translating complex, ambiguous problems into data-driven recommendations that improved business performance into a platform adopted by 2,000+ users, generating ₹20L+ revenue per cohort, managing 1,800+ qualified leads, and reducing operational effort by 75%. Experienced in market research, financial analysis, competitive benchmarking, business strategy, hypothesis-driven problem solving, stakeholder management, and executive communication, supported by strong analytical skills in SQL, Python, Advanced Excel, Tableau, and Power BI.

WORK EXPERIENCE

Co-Founder, Strategy & Operations Lead | BeyondTech - Early-Stage EdTech Platform | [\[Website\]](#) Dec'24-Present

- Co-led business strategy for an AI-powered EdTech startup by conducting customer discovery, market research, and competitive analysis, defining the go-to-market strategy that drove adoption by 2,000+ users within the first month.
- Designed and optimized the customer acquisition funnel by analyzing user behavior and stakeholder feedback, managing 1,800+ qualified leads, improving paid conversion to 30%, and generating ₹20L+ revenue per cohort.
- Led cross-functional execution across engineering, business, and academic stakeholders to streamline operational processes through AI-enabled automation, reducing content production costs by 75% while improving scalability.

Quantitative Analyst | [Futures First](#) | [\[LOR\]](#) Jan'25-Present

- Evaluated financial markets through quantitative analysis, identifying patterns across macroeconomic indicators, volatility, liquidity, and pricing behavior to support decision-making for a \$100K proprietary portfolio.
- Built hypothesis-driven analytical frameworks using SQL, Python, and Advanced Excel, generating 150+ quantitative trade recommendations weekly through rigorous statistical evaluation.
- Monitored 12+ key performance indicators, synthesized complex datasets into actionable insights, and communicated recommendations that improved trade-selection efficiency by 50%.
- Worked in a high-intensity environment requiring rapid prioritization, structured problem solving, and data-driven decisions under tight execution timelines.

Strategy & Research Associate Intern | Nation with Namu | [\[LOR\]](#) Jul'24-Aug'24

- Conducted quantitative and qualitative research to evaluate Delhi-NCR's air pollution ecosystem, synthesizing government datasets, academic literature, and global best practices to identify strategic intervention areas.
- Performed policy benchmarking, stakeholder mapping, and cost-benefit analysis to evaluate transportation, industrial, agricultural, and governance interventions for improving urban air quality.
- Co-authored a 100-page policy report outlining short-, medium-, and long-term implementation strategies, supporting evidence-based recommendations for sustainable air quality management.

SELECTED STRATEGY & CONSULTING ENGAGEMENTS

Public Policy & Strategy Consulting | Nation with Namu | [\[Report\]](#) Jul'24

Nation with Namu is a political consulting and public policy advisory organization that partners with government

- Assessed six major pollution sources such as transport, industry, construction, agricultural residue burning, waste burning, and household emissions to prioritize high-impact policy interventions.
- Developed a phased implementation roadmap with short-, medium-, and long-term recommendations integrating institutional coordination, technology adoption, and citizen participation.

Seema Setu | Strategic Border Governance Initiative | Land Ports Authority of India (LPAI) Jun'26

LPAI is a statutory body under the Ministry of Home Affairs, responsible for managing Integrated Check Posts (ICPs)

- Conducted process mapping, operational analysis, and stakeholder consultations across 10+ functional workflows, identifying bottlenecks and recommending process improvements to enhance border operations and service delivery.
- Performed policy benchmarking, regulatory analysis, and international best-practice research, evaluating 15+ border management frameworks to support evidence-based modernization recommendations.
- Developed a strategic implementation framework by analyzing infrastructure, governance, and digital transformation opp., contributing 20+ actionable recommendations, improving cross-agency coordination and operational efficiency.
- Synthesized findings into executive-ready reports and strategic presentations, enabling senior stakeholders to evaluate investment priorities, implementation feasibility, and long-term border infrastructure development.

EDUCATION

B.Tech : Netaji Subhas University of Technology, Delhi: Information Technology, 8.95 CGPA, Dept. Rank 1, CVSPK Scholar
Class XII: Kulachi Hansraj Model School, Delhi: CBSE, 95.4%, Scholar Badge recipient for 7 consecutive years

POSITION OF RESPONSIBILITY

Vice-President: Nakshatra | The Astronomical Society of NSUT Jul'23-Jul'24

Served as the primary organizer for the Triathlon event, coordinating 150+ participants, generating over 80K social impressions, securing 10+ sponsors (GAIL & Boat), contributing to a record-breaking 1,000+ registrations for Resonanz.

Founding Office President | GovTech Office NSUT | C4GTxSamagra Jan'24-Jul'24
